March 14, 1938.

Captain Louis Lutz,
90 Sudbury street,
Boston.

Dear Captain:

At present our dates for the Massachusetts Pistol League matches, which are fired annually on our range at Walnut Hill are as follows: May 22, June 5, June 19, and June 26. All other dates are at your disposal for a Saturday and Sunday shoot for the New England Police Revolver League; and we believe that it will be a great honor for the police of New England to participate in a match on this oldest rifle range in the United States.

We will have good workers, and you know the writer himself will do everything in his power to make this meet a grand success, like our match of 1936. All the officers and the bank officials who participated in that match at Walnut Hill seemed to enjoy themselves a great deal more than they did at Camp Curtis Guild last year.

We believe fifty dollars would be a fair charge for the use of these fine facilities together with the help we offer, namely, three boys to run with targets, and perhaps six or seven representative members to help in any way that you desire, including myself, - and, as you know, I would do everything in my power to make the shoot a grand success..

Yours truly,

A. P. Lambert.
President, Massachusetts Rifle Association.

Mr. Myer

I would like to see you Sunday

MEMO.

If you receive a check from the Police Revolver League, for about \$50 or \$60, indorsed "Paid in full", will you please let me know before depositing it?

This will be for use of the range for their shoot on Saturday and Sunday, May 14 and 15; and we may have some claims on them if they don't include them in their check.
